2 p. l., 7-56 p. 23cm.

"These considerations, which I now ... submit to the eminent men who compose the American institute of international law, were outlined by me in the New York world of January 26 of this year, when I was asked ... for an expression of opinion on the Declaration of the rights of nations. I explained that all of those rights had been violated ... in the case of Colombia by the separation of Panama."

of Sutherland on the cover. Obtained in 1932 by the Durham cathedral library from the estate of John Meade Falkner, its late librarian.

The tracts in this ms. are apparently nowhere published or listed in print. A note, signed "Sutherland", in laid in the volume: "This MS. is supposed to have come from the library at Stittenham." *cf.* Remarks and collections of Thomas Hearne, vol. v (1901) p. 31 (vol. XLIII of the Publications of the Oxford historical society) calendaring a letter from O. Flaxton, an ancestor of the Duke of Sutherland, to Hearne, written March 7, 1714/15, from Trentham: "Library here contains some good MSS.; among them ... a tract of Ughtred Bolton, monk of Durham, De necessitate et connectione ordinis sacerdotalis officii et regalia, with other tracts of his." Västmannalagen.

Codex iuris vestmannici, cum notis criticis, variis lectionibus, glossario et indice nominum propriorum. Westmanna-lagen, utgifven af d. C. J. Schlyter. Lund, Berlingska boktryckeriet, 1841.

2 p. l., xiv, 357 p. II pl. (facsims.) 27 x 21cm. (*Added t.-p.:* Sweden. Laws, statutes, etc.; Corpus iuris Sueo-gotorum antiqui ... Samling af Sveriges gamla lagar ... 5. bd.)

Includes two "versions" of Västmannalagen, the earlier and the later; the earlier has, according to the editor, been wrongly regarded as a separate code of Dalecarlia under the name of Dalalagen. This viewpoint has been disputed by later authorities, and modern scholars uphold the theory that it is a special code of Dalecarlia. *cf.* Företal, and Nordisk familjebok, 3. uppl., v. 3, col. 342.
